Sump Bottom Horizontal Tanks

Description:

- Strength through ingenuity of design
- Durable, impact resistant, UV stabilized polyethylene for long life
- Impervious to most chemicals
- Smooth interior and integral sump ensure complete evacuation of chemicals making decontamination of the tank easier for changing liquid types
- Mounting pins available
- Available with robust galvanized steel frame for tank protection and ease of installation
- Two sizes of baffle balls offered for reducing the wave-like momentum of the liquid

CODE	CAPACITY (U.S. Gallons)	MOUNTING	LID SIZE	DIMENSIONS L x W x H (inches)
ST100LP	100	No Frame	8"	46 x 41 x 27
